

**Enrollment Form**

- With MyRightDose, your patients can continue their Jaypirca therapy at the appropriate dose for them, without the hassle of delays or additional co-pays

For more information, call 1-833-359-3286 Monday-Friday, 9 AM-6 PM ET, or visit [Jaypirca.com](http://Jaypirca.com). For more information about Lilly's privacy practices, please view the [Privacy Statement](#).

Instructions for Physician

**Complete**

Review and complete this entire form

**Sign**

Prescriber must sign and date the bottom of section 4

**Fax**

Fax this entire form to 1-844-470-2722

**Eligibility Requirements**

To be eligible for the MyRightDose program, a patient must:

- Return unused pills in the provided pre-addressed envelope and according to the instructions provided by MyRightDose
- Be 18 years of age or older
- Be a resident of the United States or Puerto Rico
- Be prescribed Jaypirca for an FDA-approved indication

**Please note:** To provide their dose at no charge, this program is dispensed by Sonexus rather than your in-office dispensary or the specialty pharmacy that is currently dispensing your patient's prescription. Jaypirca can be shipped to the patient as early as 48 hours after the receipt of this form. We will contact your office as soon as the patient's received their new dose so you can begin the process of starting their next month's script.

**SECTION 1. PATIENT INFORMATION**

**SECTION 4. TERMS AND CONDITIONS**

- The MyRightDose program is available at no charge to a patient prescribed Jaypirca for an FDA-approved indication for up to 3 separate dose exchanges in a 12-month period. The quantity to be exchanged should be between 5 and 30 days per exchange
- Neither the prescriber, prescriber's institution, pharmacy, pharmacist, or any other person, including the patient, may seek payment or accept reimbursement from any patient, any third-party payer, including any state or federal entity or any private or other insurance plan, or from any other person or entity, for Jaypirca supplied under this program, regardless of whether the payer subsequently determines it will cover the product
- Product provided pursuant to this program may not be sold, traded, or distributed for sale
- If a patient is enrolled in a Medicare Part D plan, the prescriber must notify the patient that they must not attempt to have this prescription or any costs associated with it counted as any portion of true out-of-pocket ("TrOOP") cost for prescription drug calculations
- No purchase contingency or other obligation accompanies program participation
- Lilly reserves the right to change or end the program at any time without notice. Benefits provided under the program are not transferable

**Prescriber:** I certify that I understand and agree: 1) That I have explained to my patient that he/she must return the unused drug according to the instructions provided by the MyRightDose program; 2) To the Terms and Conditions of the MyRightDose program; 3) My patient meets the patient Eligibility Requirements of MyRightDose; 4) I am licensed to prescribe the prescription medication identified in this form, the prescription complies with my state-specific prescribing requirements; 5) In my medical judgment, the new strength of Jaypirca is clinically appropriate for the patient named above and its use is consistent with the FDA-approved indication; and 6) This supply of Jaypirca is specifically for the patient named above.
